

OPEN HANDS

by Matt Papa

Verse 1:

To give unselfishly, to love the least of these
Jesus, I'm learning how to live with open hands
All of these treasures that I hold will never satisfy my soul
Jesus, I lay it at your throne with open hands

Chorus:

And I lift my hands open wide let the whole world see
How You've loved, how You died, how You set me free!
Free at last I surrender all I am with open hands, with open hands

Verse 2:

To finally let go of my plans
These earthly kingdoms built of sand
Jesus, at your cross I stand with open hands

Chorus:

And I lift my hands open wide let the whole world see
How You've loved, how You died, how You set me free!
Free at last I surrender all I am with open hands, with open hands

Bridge:

You took the nails and you wore the crown
You hung your head, your love poured out
You took my place and you paid the price
So Jesus, now, I will give my life!!!!!!!!!!

Chorus:

And I lift my hands open wide let the whole world see
How You've loved, how You died, how You set me free!
Free at last I surrender all I am with open hands
Jesus, I lift my hands open wide let the whole world see
How You've loved, how You died, how You set me free!
Free at last I surrender all I am with open hands, with open hands
